MEMORANDUM FOR: Director of Information Technology

FROM:

Acting Director of Communications

SUBJECT:

Office of Information Technology/Office of
Communications Joint Conference -
30-31 October 1986

REFERENCE:

OIT 0989-86, dated 20 November 1986, Same Subject

1. We have received the referent memorandum and the attached action items list. We agree that the actions listed are those which we discussed at the conference with the exception of Item 6. This item should more correctly state that we agreed to transfer 56 MC positions from the Office of Communications to the Office of Information Technology (OIT) for conversion to the MZ career service. This is in accordance with the proposal outlined in the attached memorandum and the agreement reached between the Director of Communications and the Director of Information Technology the evening of 30 October 1986.

2. Our questioning of action Item 6 is in no way intended to infer that we object to filling individual MC position vacancies with MZ careerists. As you know, assignments of this nature have been agreed to in the past. We are still agreeable to such assignments on a case-by-case basis when it is mutually beneficial to both career services. In order to prevent chaos within our personnel systems, we believe it is necessary to negotiate rotational agreements in each case. In this way both

career services and the individual involved will understand the
terms of the assignment. We look forward to working with your
managers to satisfy the personnel needs of OIT.

MEMORANDUM FOR: Director of Communications

VIA: Chief, Administration Management Division, OC

FROM:

Chief, D Assignments and Development Branch,
OC-AMD/PAG

SUBJECT: MCD Positions in OIT

1. At the request of the Director of Communications, the undersigned met with [redacted] Chief, Message & Data Communications Activity (MDCA), General Operations Group, OIT. The meeting was held on 24 September to review Office of Communications (OC) staffing of MDCA. Each position in MDCA was reviewed in an attempt to identify non-technical MCD positions which could be satisfied by the assignment of non-OC personnel. A total 56 non-technical MCD positions were identified and have been listed in paragraph 4 below.
